Dear NAME,

I am writing to seek representation as a voice actor/narrator by your agency. I am a professional voice over talent in Reno, NV who specializes in long-form narration but have voiced countless projects of all kinds for clients all over the world.

I am a freelance voice over talent and have completed hundreds of projects from commercials, audio books, corporate training, YouTube narrations, marketing material, and more.

I have worked to cultivate a rich, warm sound and a dark, gritty sound that my clients love. I have been complimented on my ability to take direction and provide a wonderful product for my clients. I work from a professional home studio that provides high-quality deliverables.

I love narratives, story-telling, gaming, education, and the many other aspects and challenges that voice-over provides.

My website provided in the application has demos, samples, and testimonials from the various projects I have work on. I am also happy to provide any custom samples of content for you. I truly hope we have the opportunity to work together and hope to discuss more with you.

Thank you for considering me for representation

Sincerely,

Russell Archey
